

## PRIOR APPROVAL INFORMATION & INSTRUCTIONS

---

Federal Election Commission (FEC) regulations require PowerPAC to obtain written permission from an authorized representative of a member company to solicit voluntary contributions from employees.

The FEC takes a broad view of what constitutes a “solicitation”—so broad, in fact, that without prior approval, APPA cannot share information about PowerPAC and its activities, strategy, and events with you; that’s why it is so important that you sign it.

This authorization does not bind you, your utility or your employees to any financial commitment; all it does is allow us to communicate freely with you about PowerPAC.

A corporation may not approve solicitations by more than one trade association in the same calendar year.

Help us communicate with you about PowerPAC by completing the other side of this form and returning it via email, fax or regular mail to:

PowerPAC  
c/o American Public Power Association  
2451 Crystal Drive
