

PowerPAC

UPDATE

Spring/Summer PowerPAC Newsletter

Thank you so much to everyone who has contributed so far in 2018 (please see the list of donors on the next page). Your generosity allows PowerPAC to support important Senators and Representatives, on both sides of the aisle, that champion issues crucial to public power professionals. Support for PowerPAC is support for the Association's efforts to advocate for public power here in Washington, D.C.

If you have not donated to PowerPAC this year, it is not too late. Please contact me with any questions or comments you may have. On behalf of PowerPAC, thank you again for your support so far this year.
