

## **First Quarter of 2018 Update**

Thank you so much for contributing to PowerPAC in the first quarter of 2018! PowerPAC's goal for contributions collected in 2018 is \$85,000. Thanks to your help we have raised more than \$41,000 so far this year. Your support of PowerPAC is a critical part of public power's efforts here in Washington, D.C.

In addition to this quarter's disbursements, PowerPAC has taken advantage of numerous free meet and greets with Members of Congress. We look forward to contributing to many campaigns in the second quarter of 2018.

Contributions can be made [here](#) or by filling out [this form](#) and emailing it to [smedved@publicpower.org](mailto:smedved@publicpower.org).

Below is an update showing what your contributions have helped the Association accomplish in the first quarter of 2018:

National Republican Congressional Committee (NRCC)

The purpose of PowerPAC is to support political candidates on the federal level who support issues and policies important to public power utilities. You have the right to refuse to contribute to PowerPAC without fear of reprisal. Membership levels are merely suggestions and you are free to contribute more or less than the guidelines suggest; you will not be favored or disadvantaged by reason of the amount of your contribution or your decision not to contribute.
